

Hillside Office Now Closed; Relocating Soon to 300 West First St. in Oswego

Compass Federal Credit Union’s Hillside branch, located at 7 Fourth Ave. in Oswego, officially closed on Friday, June 11. The branch will soon relocate to 300 West First St. in Oswego on a date to be announced.

The relocation will help to better serve the credit union’s growing membership.

“As our membership continues to climb we felt it was important to increase our services on Oswego’s west side,” said Compass FCU Manager, Jennifer Rupert. “The 300 West First St. location will provide members with drive-thru access, as well as an ATM. Some of our membership will even be familiar with this location, as the credit union actually occupied it several years ago. We look forward to the transition and will provide further details on an opening date in the near future.”

A Message from the Board

Dear Compass Members,

We hope this newsletter finds you well. In our last newsletter we celebrated the reopening of the majority of our lobbies and now we are happy to report a return to our previous location at 300 West First St. in Oswego.

While the Hillside office served us well, Compass management & the Board believe that returning to West First St. will be a welcomed alternative as membership continues to climb. This location will offer members a more readily available ATM, a drive-thru lane and a more spacious and welcoming lobby area on Oswego's west side. An official opening date for this branch will be announced shortly.

We hope our members enjoyed our recent speedway nights at Fulton and Oswego Speedways. With COVID on the decline, this is just the beginning of more community outreach for Compass, including helping to present Downbeat Percussion as part of Fulton Porchfest on Sunday, July 11.

We are still holding discussions on how we will hold our Annual Meeting and vote this year, please be on the lookout for future announcements. Please make sure you have a working email account associated with your Compass account so that we can provide you with updates on the meeting along with other activities.

Wishing you a safe and healthy Summer!
Michael Pisa, Board President

Compass to Present Downbeat Percussion at Fulton Porchfest

Compass Federal Credit Union is proud to partner with Fulton Porchfest in 2021, helping to present Downbeat Percussion on Sunday, July 11.

Fulton Porchfest is a grassroots community music festival where front porches become stages, yards become venues and generosity and good will rule the day.

Rain or shine, residents will see amazing music and performances, all free of charge. Bring your lawn chair and travel from porch to porch, yard to yard. Enjoy amazing food at various food trucks while visiting your neighbors and connecting with friends.

The festivities will run from Noon to around 4 p.m., with the grand finale featuring a Downbeat Percussion drum circle in Voorhees Park. Residents are encouraged to bring their own drums, bongos and tambourines to join in on the fun.

Compass Partners with ARISE CNY to Assist in Ramp Construction

Compass Federal Credit Union recently partnered with ARISE CNY to donate \$1,650 toward purchasing ramp building materials for Oswego County residents in need.

For decades, the ARISE Ramp Program has helped individuals and families

obtain wheelchair ramps to safely enter and exit their homes so they can shop, go to work, go to school and be a part of their communities.

“It is our pleasure to partner with ARISE CNY in this effort,” said Compass FCU Manager, Jennifer Rupert. “Giving back to the community is a major component of what we do at Compass. The work that ARISE does to help those with disabilities in Oswego County is fantastic and we are happy to join their dedication to furthering the independent living philosophy.”
