Become a Compass FCU Young Bucks Member and Take Part in Bank at School

Become a Young Bucks member at Compass Federal Credit Union and you can take part in the credit union's Bank at School program at any Oswego City School District School, as well as Fairgrieve Elementary in Fulton, during the 2023-2024 school year.

Running from October to May, the Compass Federal Credit Union Bank at School program offers students an opportunity to deposit money into their own account. The program provides real-world, hands-on banking experiences for students at any grade level and helps them to understand the benefits of saving money.

As part of the program, Compass will open a free account for students who choose to participate. On "Bank Days", students who participate and deposit money into savings will be able to choose a prize for the day and will also be entered into a chance for a variety of year-end prizes, including gift cards, ice cream coupons and more.
