## A Message from the Board

Dear Compass Members,

The last few months have certainly been trying for all of us. Our daily habits and our way of life has been altered, but thanks to the diligence of our entire community, we are beginning to see a return to normalcy.

After closing our lobbies on March 20th to help slow the spread of COVID-19, we are proud to report that most locations have reopened lobby service as of June 8th. This is a tremendous step and we thank our members and staff for their patience and understanding as we implement new procedures that continue to put the health and safety of our members and employees at the forefront.

We will continue to evaluate our situation as the phased reopening continues and adjust our business hours and office availability as needed. We will also keep members abreast of the future opening of our all-new branch located at 208 N. 2nd St. in Fulton.

The 54th Annual Meeting remains postponed at this time, as New York State continues its phased reopening process. It is our goal to conduct this meeting, celebrate with members and elect Board members, as soon as it is deemed safe to hold such a gathering. We will also be exploring other avenues to hold the meeting and elections if the situation persists.

We wish you a Happy Fourth of July and hope your summer months are filled with family, friends and fun.

**Michael Pisa, Board President**
