POINTING THE WAY

Compass Credit Union Awards Scholarships

Compass Federal Credit Union is proud to announce the recipients of this year's Scholarship Awards valued at \$9,000.

Each year, Compass presents two \$4,000 scholarships to high school seniors and one \$1,000 Continuing Education Scholarship to a student who is currently attending college or a trade school.

This year, Oswego High School seniors **Julia May** and **Dane Richardson** were selected as \$4,000 graduating scholarship recipients.

May is set to attend the University at Buffalo in the fall, where she will major in Biomedical Science. Richardson is looking to attend either Ithaca College or Syracuse University to focus on Sports Broadcasting and Communications.

The recipient of the Continuing Education Scholarship for 2019 is **Jacqueline Greer**. Greer is currently enrolled in the Madden School of Business at LeMoyne College. She is pursuing a Bachelor of Science in Accounting and a Masters of Science in Information Systems. Congratulations to our winners, and thank you to all applicants. Best of luck in your future endeavors!

Bank at School Winners Hit Compass Cash Jackpot

Another school year has drawn to a close, and with that comes another successful conclusion to the Compass Federal Credit Union Bank at School program.

Each year, participating students who make a deposit into their account are entered into a prize drawing. Students are then chosen at random to win prizes... (Continued on Page 3)

A Message from the Board

Dear Compass Members,

At Compass Federal Credit Union, we value community outreach. This edition of the Quarterly Newsletter describes in detail our many efforts to be part of the Oswego County community.

We first want to thank all those who attended the groundbreaking ceremony for our new Fulton branch. The Compass team is eager to introduce this new branch, which will strengthen our member services.

We would also like to thank everyone who attended our 53rd Annual Meeting at the Oswego Elks Lodge. It was another fantastic night, and we appreciate everyone's support.

Our Scholarship Awards once again contributed \$9,000 in tuition to three deserving students, while our Bank at School program concluded with another group of students earning prizes in our Compass Cash Vault.

Please keep in mind that our Summer Loan Specials are in full swing. These specials are described on page one and can be found in greater detail at www.compassfcu.com.

We hope to see you all at the Annual Picnic on Friday, August 2, at our George St. location. It will be a fun day with great food, games, prizes and more!

Happy Summer!
Michael Pisa, Board President

Employee Spotlight - Aislinn Fultz

Next time you stop by Compass Federal Credit Union, be sure to say hello to Member Service Representative, **Aislinn Fultz**.

Originally from the city of Oswego, Aislinn has spent the last few years living in Rochester, where she received Associate Degrees in Science and General Studies from Monroe Community College. In her time away from work, Aislinn enjoys hiking and being outside with family and friends. In the future, Aislinn has plans to further her education, with a focus still to be determined. Compass is thrilled to have Aislinn as a member of our valued team!

Compass Credit Union Breaks Ground on Fulton Branch

Compass Federal Credit Union broke ground on its new Fulton branch on Tuesday, June 25 at 9 a.m.

The 3,200-square-foot building will be located at 208 N. 2nd Street in Fulton, at the corner of Shaw St. and Hubbard St.

The one-level space will include ATM and loan services, two drive-thru lanes, a coin machine as well as a conference room available to the community. The branch will be serviced by a full staff of knowledgeable and experienced Compass Credit Union team members.

“Our current Fulton location inside the Canalview Mall is not very accessible,” said Compass Federal Credit Union Manager, Thomas O’Toole. “We have no ATM, no drive-thru and in fact you have to park your car and walk down an alleyway to get to the branch. We determined the best way to improve services was to build a brand new, full-service branch, right near Davis-Standard.”

The branch is expected to be completed by the end of the year.
